## Who Are We?

The Kansas VOAD is the state chapter of the National VOAD.

The VOAD consists of organizations active in disaster response throughout the state of Kansas.

The VOAD's role is to bring organizations together and enable them to understand each other and work together during times of disaster preparedness, response, relief and recovery.

The Kansas VOAD adheres to the principles established by

**Kansas**

Active in Disaster

COOPERATION | COMMUNICATION | COORDINATION | COLLABORATION

the National VOAD. The principles are referred to as:

### The 4C's

- \*Cooperation      \*Communication

These principles serve as the foundation for the Kansas VOAD as it collaborates with local, regional and national partners to coordinate disaster relief, response and recovery efforts in times of disaster.
